Module Title:	French III		
Type of Module:	Breadth		
Module Credits:	4	Student Workload:	8 hours per week
		Contact hours:	4 hours per week
Prerequisite:	LF-2403 French II		
Aims/Objectives/Rationale:			
<p>The module is designed to further develop the French language skills of students who have completed LF-1403 and LF-2403. French will be the primary means of instruction although English explanations may still be given for advanced expressions and concepts.</p> <p>Students will be given practice to enable them to engage in complex conversations in French in greater depth and intensity and compose different genres of texts.</p>			
Module Content:			
<p>In this module students will engage in a range of more specialised topics in personal/informal and professional/formal contexts. They will be encouraged to initiate, maintain and lead longer conversations. Besides that, students will also be taught to understand longer written documents. The teaching of French grammatical and lexical items and relevant areas of French culture and customs will be integrated into the teaching of the above skills. The module will be taught by means of some information technology tools.</p>
