		<b>Contact hours:</b>	4 hours per week
<b>Prerequisite:</b>	LK-2403 Korean II		
<b>Aims/Objectives/Rationale:</b>			
<p>The module is designed to further develop the Korean language skills of students who have completed LK-1403 and LK-2403. Korean will be the primary means of instruction although English explanations may still be given for advanced expressions and concepts.</p> <p>Students will be given practice to enable them to engage in complex conversations in Korean in greater depth and intensity and compose different genres of texts.</p>			
<b>Module Content:</b>			
<p>In this module students will engage in a range of more specialised topics in personal/informal, and professional/formal contexts. They will be encouraged to initiate, maintain and lead longer conversations. Students will also be taught to read various types of texts in Korean script involving more advanced combinations of sentences. Besides that, these students will write texts in Korean and reproduce the combinatory texts.</p> <p>The teaching of Korean grammatical and lexical items and relevant areas of Korean culture and customs will be integrated into the teaching of the above skills.</p>
